The most beautiful trips in the surroundings of St. Johann...
 St. Johann is situated in the center of Salzburg Province. Therefore it is the ideal starting point for the most beautiful excursions in the province. Whether culture or nature, many sights are accessible not only by car, but partly also by train from St. Johann.

Unfortunately we can only show a small section of Salzburg's sights here. For detailed descriptions, opening hours and many more rewarding excursions, please see the current information brochure of Salzburg
